Missionaries of the Week: Menno & Barb Kroeker

We're ordering more audio players of the New Testament and also of the Old Testament stories to send down to the Nambikuara people. We've received word that in some villages the Christians are meeting regularly and continuing to walk with the Lord. Young folk are reading the New Testament in the village where the Brazilian school teachers are believers. They also meet for Bible study and singing. Evaristo (the church leader now) is hoping to get a motorcycle so that he can have meetings in other villages. This encouraging news is offset by the news of some leaving the faith and the strong influence of shamanism. The spiritual battle continues. Please pray for strength and courage for the believers and for the Gospel to take root in the hearts of many still living in darkness.

This week pray for *FAITH EVANGELICAL BIBLE CHURCH* in Winkler, Manitoba, with Pastor Mike Comtois and his wife, Renée.
