## Missionaries of the Week: Don & Nancy Rempel

\*Don has now received the actual plastic card for his Canadian Permanent Residency.

\*We are experiencing good health as is Nancy’s Mom! \*A leading mosque couple, Hamid and Anne, came for dinner to our home Friday night. We enjoyed lively conversation and our relationship was further developed. Please pray as Hamid and Anne demonstrate no obvious attraction to Christ. O, God, work in their hearts! \*Our local church’s Women’s Group is putting on an Easter Outreach Tea for ladies on April 16th, to which we’ll invite Muslim and Sikh women. Pray many will come and understand the Gospel. Pray they will make their spiritual interest known. Pray for Nancy as she prepares and delivers the message. \*Hamid really likes the fact that the mosque women attended our Christmas Tea. Anne, his wife, will convey the April 16th Easter Tea invitation among the mosque women. \*Several of the Syrian refugee committee folks in our church have grown ever closer to the two refugee families that our church sponsors, the Ala Asaf family and the Alasmar family. \*Our committee members need to be bold in sharing Christ with these families as opportunity arises. \*The two families are related but are quarreling to the point of not having anything to do with one another. Pray God uses the emotional distress they experience in this to draw them to Himself! Pray for wisdom as our committee loves and relates to both families during all this. \*We need God to create a highway into the Sikh community. They are, by and large, well-off, self-sufficient, and self-contained. Pray that the Amarjeet family and the Surej family would let us into their lives and community.
