#### *Mother's Love*

*Mother's love is like an island in life's ocean, vast and wide,  
A peaceful, quiet shelter from the wind, the rain, the tide.  
It is bound on the north by hope, by patience on the west,  
By tender counsel on the south and on the east by rest.  
Above it like a beacon light shine faith, and truth, and prayer;  
And through the changing scenes of life I find a haven there.*
